538 Alfa ETICS Reinforcement 210

1. Identification of the substance / mixture

Product

Trade name: 538 Alfa ETICS Reinforcement 210

2. Hazards Identification

Possible hazards

In case of correct use no special hazards for men and environment

3. Composition / Information on ingredients

Chemical characteristic, prime material:	polymers plastic
Chemical Characteristic, finished product:	E-glass coated with polymers plastic
CAS-Number:	not applicable
Hazard indication:	none

4. First aid measures

General information:	do not eat
after inhalation:	not applicable
after contact to skin:	not applicable
after contact to eyes:	not applicable

5. Fire fighting measures

Extinguishing media

Suitable extinguishing agents: water, foam, powder, CO2

Special hazards by material, its burning remains or occurring gas:

in case of insufficient burning, smouldering fire, smouldering gases may arise from polymers plastic, e.g. CO, NOX

Special protection in case of fire fighting measurements:

use of breathing apparatus independent to circulating air

Alfa GmbH
Dr. Rudolf-Schieber-Str. 11-15
73463 Westhausen/Germany
Tel.: +49 (0)7363 95446-0
Fax.: +49 (0)7363 95446-25
E-Mail: sales@alfa-direct.com

6. Accidental release measures

Personal precautions, protective equipment and emergency procedures
not applicable

Environmental precautions
not applicable

Methods and material for containment and cleaning up
not applicable

7. Handling and storage

Handling

Precautions for safe handling:
no special measures necessary

Information about fire - and explosion protection:

Observance of the general rules for the internal fire prevention

Storage

Special storage conditions:
not applicable

8. Exposure controls / personal protection

Additional regulations for technical equipment:
not applicable

Components of limits in relation to work place:
not applicable

Personal protection

general protection: possibly hand protection

9. Physical and chemical properties

Information on basic physical and chemical properties

General Information

Appearance:

reinforcing meshes on rolls

Colour:

different

Alfa GmbH

 Fax.: +49 (0)7363 95446-25
 E-Mail: sales@alfa-direct.com

Odour:	neutral
Change in conditions:	not applicable
Flash point:	not applicable
Ignition temperature:	
Self-igniting:	not applicable
Fire characteristics:	avoid contact with fire and heat sources
Explosion:	not applicable
Further information:	none

10. Stability and reactivity	
Dangerous:	not applicable
Further information:	none

11. Toxicological information	
Acute toxicity, dates of one component, classification:	not applicable
Specific symptoms in animal experiment:	not applicable
Irritations:	not applicable
Sensibility:	not applicable
Other information:	not applicable
Subacute to chronically toxicity:	not applicable
Experience on men:	no negative reaction on human health

12. Ecological information	
Toxicity	not applicable
Persistence and degradability:	not applicable
Additional ecological information	none

13. Disposal considerations

Product

can be disposed on a suitable waste disposal

Packing

disposal systems

14. Transport information

Road Transport:

not subject to be marked

Inland Shipping:

not subject to be marked

Sea Transport:

not subject to be marked

Air Transport:

not subject to be marked

Description of goods:

Fibre glass woven reinforcing fabric

15. Regulatory information

Marking according to EC regulations:

not subject to be marked as dangerous goods

Domestic Regulations:

not applicable

16. Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
